Subject Claim of Inamdars to proceeds of Cattle Pounds established in their villages.

Petn no. 8 17.4.01. from the Inamdar of Kaglipur.

In 1883, Mr. B. K. Venkatavardiengar, Inamdar of Kaglipur, applied for the establishment in the said village of a cattle pound and stated that as the Sannad, granting the Inam, conferred on him the right to "Charadaya", the net realizations from the pound had to be paid to him. The Dy: Comr. sanctioned under the provisions of the Cattle Trespass Act, the opening of a pound at Kaglipur and ordered that the amount of fines &c. realized in the pound should be held in deposit in the Bangalore Taluk Treasury pending

Regarding the Inam village of Kittur:-

1. How long before the date of the Chief Comr's order were these ponds in the Inam villages & for how many years the Inamdar was enjoying the pond receipts. Information on this point from the earliest date possible should be obtained.
2. Why was not the order of the Chf: Comr given effect to at once? It is now twenty years since that order was passed. Has there been a pond here

pending the orders of Govt. on the Subject. He reported to Govt. that Mr. B. K. Kalkatawar adduced claims to one-half of the realizations from the pound & solicited early orders. He has forwarded a copy of the Sanad, on which the Inamdar has based his claim. In the Sanad, the right to "Chiradeya" is conferred, among various other rights.

The Dy. Are there other villages similarly situated? A list must be obtained and submitted.

If as contended 'Charadaya' & 'Horadaya' referred to fines levied for the trespass of cattle, information should be obtained as to the rules & custom under which such fines was levied.

No 87 of 16.10.1903.

As directed, the Inam Superintendent was requested to report how the revenue in question had been treated with regard to the Inam villages, mentioned by the Agent of Mysore, and also with regard to Kaglipura, and how the words "Charadaya" and "Niradaya" had been construed. He reports that by "Charadaya" and "Niradaya" was meant, at the Settlement, the revenue derived from cattle-grounds, viz., fines and feeding charges, and the realisations from unclaimed property, respectively; and submits the following statement, showing how the revenue in question has been disposed of in the Inam villages named :—

Division.	Taluk.	Inam Village.	Were Charadaya or Niradaya specifically conceded to the Inamdar?			Were disputes of the Settlement officer by the Inam Settlement?
			In the Inam Sanad.	In the Inam Register.	In the revenue Statement filed by the Inamdar at Settlement.	
Bangalore Mysore.	Nanjanagud	Kaggalipura.	Yes	No	No.	Not noticed.
	Hegadadevanakote	Kirikur	Yes	Yes	Yes.	
	Nagamangala	Bidalagala	"	No	Yes.

	Nanjangud	Devpur	"	No	Yes.	
	Malavalli	Kurigali	Yes	No	Yes.	
		Belakavadi	Yes	No	Yes.	
	Maddya	Keelur	Yes	No	Yes.	
	Krishnarajanagar	Hebbagundi	This village is said to be found in the Inam Register of Krishnarajanagar Taluk.			

— From the above statements, it appears that the Inam Superintendent has not noticed

the

the item of revenue from cattle-pounds, at the time of the Settlement. In the Inam Register, "Chavadaya" and "Moradaya" have not been conceded to the inam villages, except Kelur. Why Kelur was made an exception is explained by the fact that the claim of the Inamdar was established ten months before the order of the Chief Commissioner directing that no resolutions should be passed to Head-Lands. The Standing Order states that in the case of Doddabagade, Nellimale and Devpur villages, "Chavadaya" and "Moradaya" are not conceded to the Inamdar.

The Inam Superintendent stated at the time of Settlement, "Chavadaya" was included to mean the revenue from cattle-pounds. But" whether the word had the same meaning at the time of the grant of the ~~inam~~ inam is a matter of doubt not easily ascertained. The principle on which the Chief Commissioner's order is based is that the benefit arising from pounds being the result of the operation of revenue Government introduction, the Inamdars are not entitled to it. This amounts to the same thing as saying that the deduction of the realization from pounds in the revenue of the village conceded to the Inamdars could not have been intended at the time of granting the inam. If this principle is adopted, the Inamdars are not entitled to the revenue in question.

of the Bangalore District

Sir,

In 1883 I applied for a Cattle pound at my town village of Kyggalipur in the Kankanahalli Taluk. The then Deputy Commissioner (Captain Macrae) ordered the establishment of one there and directed that pending the order of Government the receipts of the pound should be paid in deposit. Then on the 6th August 1885 I reminded him about the receipts, &c in his docket No 207 of the 8th August 1885 and he send me an extract from the Samad showing that I was entitled to the said receipts. I submitted it on the 26th August 1885, but up to now I have not been favored with final orders, altho many years have elapsed. I therefore beg the favor of decision in the matter

I beg &c

SIR,

I have the honor to bring to the notice of Government that the Inamdar of Kittur, a village in the Heggadadevankote Taluk, appropriates to his own use the receipts from the Cattle pound established in his village, under the plea that the Summud says that "Charadaya" and "Moradaya" is allowed to the Inamdar. But under the orders of the late Chief Commissioner, Conveyed in his proceedings No. 425 R.S. of the 17th April 1878, fees so realised from Cattle pounds are not claimable by Inamdars, as they are devoted to Local Fund purposes. Copies of the Summud and of the proceedings quoted above are herein Enclosed for ready reference. Sir,

With reference to your memo No. 2295-301 R.T. 100-97 of the 25th June last, calling for certain information regarding the cattle pounds in Inam villages, I have the honor to state that in this District, only two of the alienated villages have cattle pounds in them viz, Kaglipur, a Devananga village in the Sarjapur Hobli of the Kankanhalli Taluk and Gangenhalli, a Kapugatta village in the Magadi Taluk. The pound in the latter was established some five years ago, while that in the former has been in existence since a longer period viz, since 1883. In Gangenhalli, the Patel, who looks after the cattle pound there, is paid Commission as in the case of the Keepers of the

The claim of the holder of the

Enclosure No.

Mysore Deputy Commissioner's Office,
Local Funds Branch,
Dated 5th / 10 August 1903,

To

H. V. Venkatarama Ayyar, B.A., B.L.,

Secretary to

The Government of Mysore,

Revenue and General Departments,

Sir,

With reference to the correspondence ending with your Confl. reminder C No. 36 of dated 12th March 1903, calling for information regarding the claims of Nittur Inamdar to cattle pound receipts, I have the honour to state that the village of Nittur now in the Hassan taluk was granted as Inam to Mr. Alipandra Ungrajetti in 1824-25 (Cauvery Kaul 1746). The Inamdar on the strength of the words "Charadaya and Horadaya" occurring in the Sanad (Copy herein enclosed) put forward his claim for cattle pound receipts in December 1872. But this claim therefore was not established till March 1877 and the pound was actually opened in the village on the 1st June 1877 i.e. 3 months before the date of the late Chief Commissioner's order alluded to in this office Letter No. 1252

of

of the 27th April 1898.

2. The Boundary is enjoying immunity at present from the flood receipts since the above date and it is not known why the orders of the late Chief Commissioner were not communicated to the Land Authorities and Boundary, as no office rules or the orders of the late Chief Commissioner have been made by private Commissioner.

3. As already stated the receipts from the cattle pound is being continuously appropriated since the date of the establishment of the cattle pound and an annual statement of income is herein enclosed.

4. The word "Charadaja" meaning the income from the feeding of cattle is reported to have been taken for the income from the establishment of pounds and as such the Boundary in these Summaries such a word seems are appropriating the income.

5. As required by your circular under reference a statement of similarly situated Gam villages in the district is also submitted.

I have the honor to be,

Sir,

Your most obedient servant

C. Vencatachalam

for President.

Bangalore st:, under the provisions of the
Cattle Trespass Act, with the direction
that the proceeds thereof should be held

the pond at Kittur was established

by the Sgle Chf: Secy (no: 5936 R170 27.2.69). When in 1874, a large number of Sarvamanyandars put forth a claim for the proceeds of Cattle pounds on the strength of the words - Bhandárgh + Horádáyi occurring in their Saunads, the reports of the Divisional Secys were called for + the prodgs: of orders passed April 1878 (no: 425 R5) read above were passed, after taking consideration laying down that the Inamdars have not entitled to the proceeds from Cattle pounds realized under rules of recent introduction - to wit - "The Cattle Trespass Act of 1871" (since amended by Regn VIII of 1892). Again in the order of Sept: 1878 (no: 5021 R43), it was clearly laid down that the provisions of the Cattle Trespass Act should be enforced in all villages and upon a reference, it was decided that the Special privilege accorded in 1869

was, as a special case, permitted by

4) From this statement, it is seen that, except in the case of the pond in Singpis + of certain ponds belonging to the mupome st:, the proceeds from all these ponds are being credited to Govt the reason for allowing these Inundars of the mupok st: to enjoy the proceeds from the ponds in their main village is stated to be that the order of April 1878 was not communicated to the Taluk authorities + to the Inundars concerned; but why this was not done the present Govt is not in a position to explain.

5) Govt observe that the levy of fines for cattle trespass is comparatively a recent introduction + is not claimable by Inundars under the general terms Charadaya + Horadaya used in their Sannads. The general rule is that the Inundars might, under the authority of a st: mast, establish cattle ponds in their villages on the condition of the proceeds being placed under the control of the same authority. These proceeds should invariably be utilized for local fund purposes. No

No. R. 1831-9, DATED BANGALORE, 4TH JANUARY 1904.

ORDER THEREON.—The question whether Inamdars are entitled to the proceeds from cattle-pounds established in their villages, has often been before Government. As early as the year 1865, it was held that the proceeds of the sale of unclaimed cattle and the fines levied on account of trespass by cattle are not claimable by Inamdars, by reason of the funds realized therefrom having to be devoted for local purposes. (Letter No. 2996—R. 46, dated 10th October 1865.) In 1869, the erection of a cattle-pound in Sringeri and the utilization of the proceeds thereof by the Jahgir for purposes of public utility was, *as a special case*, permitted by the Chief Commissioner (No. 5936—R. 170, dated 27th February 1869). When in 1874, a large number of Sarvamanyamdars put forth a claim for the proceeds of cattle-pounds on the strength of the words Charadaya and Horadaya occurring in their sannads, the reports of the Divisional Commissioners were called for and the Proceedings of April 1878, (No. 425—R. 5) read above, were passed, laying down that the Inamdars were not entitled to the proceeds from cattle-pounds realized under rules of recent introduction, to wit, "The Cattle Trespass Act of 1871" (since amended by Regulation VIII of 1892). Again in the Order of September 1878 (No. 5027—R. 43), it was clearly laid down that the provisions of the Cattle Trespass Act should be enforced in *all* villages, and upon a reference it was decided that the special privilege accorded in

3. The question of paying the Inamdars the proceeds of the sale of unclaimed cattle and the fines levied on cattle trespass was mooted by the Nagar Superintendent in his letter No. 270—103, of 30th September 1865, when it was decided by Mr. Bowring that the fees, etc., were not claimable by Inamdars as they were devoted to Local Funds. This decision is in accordance with the principle recognized in Section 18 of Act 1 of 1871 (Cattle Trespass Act), which provides that "out of the sums received on account of fines and the unclaimed proceeds of the sale of cattle shall be paid :—

"(*a*) the salaries allowed to pound-keepers under the orders of the Local Govern-
" ment ; (*b*) the expenses incurred for construction and maintenance of
" pounds or for any other purpose connected with the execution of this Act,
" and the surplus (if any) shall be applied under orders of the Local Gov-
" ernment to the construction and repair of roads and bridges and to other
" purposes of public utility."

4. The Chief Commissioner observes from the statements submitted by the Commissioner, that there are but few Inam villages in the Ashtagram Division in which pounds have been established and the sums realized are very small. The establishment of these pounds is of quite recent date and Mr. Gordon concurs with Colonel Hay in thinking that the Inamdars are not entitled to the proceeds of fines levied under rules of recent introduction. The Inamdars should be prohibited, therefore, from levying pound fines, unless in localities expressly fixed by the Deputy Commissioner, where they will be brought under the provisions of the Act. In the case of Jahgirs, such as those of Yelandur and Chamrajnagar, the proprietors might be allowed to establish pounds, provided that they conform to the rules.

Revenue, dated 4th January 1904.

4. From this statement, it is seen that except in the case of the pound in Srin-geri and of certain other pounds belonging to the Mysore District, the proceeds from all other pounds are being credited to Government. The reason for allowing these Inamdars of the Mysore District to enjoy the proceeds from the pounds in their Inam villages is stated to be that the Order of April 1878 was not communicated to the taluk, and to the Inamdars concerned; but why this was not done, the present Deputy Commissioner is not in a position to explain.

5. Government observe that the levy of fines for cattle trespass is comparatively of recent introduction and is not claimable by Inamdars under the general terms "Charadaya and Horadaya" used in their sannads. The general rule is that the Inamdars might, under the authority of a District Magistrate, establish cattle-pounds in their villages on the condition of the proceeds being placed under the control of the same authority. These proceeds should invariably be utilized for Local Fund purposes. No Inamdar can have any claim to them. The case of the cattle-pound in Sringeri is a special one and is not to be interfered with. The claims of the Kaglipur Inamdar are clearly inadmissible and the realizations held in deposit will be credited to Government. The proceeds of cattle-pounds in Kittur and other Inam villages of the Mysore District which were hitherto unauthorizedly allowed to be enjoyed by the Inamdars will in future be credited to Government. The Order of April 1878, (copy appended hereto) is clear and should be followed.

4. Letters Nos. 473—78 and 703—137, dated respectively 10th December 1877 and 13th March 1878, from the Commissioner of Ashtagram Division.

No. 425—R. 5, DATED BANGALORE, 17TH APRIL 1878.

ORDER THEREON.—The two points raised for consideration are :—

1st—Whether the additional cess of 8 annas a kandi levied on lands irrigated by river channels to meet cost of establishment should be continued; and

2ndly—Whether Inamdars are entitled to the proceeds from cattle-pounds and sale of stray cattle.

2. The Chief Commissioner observes that the cess of 8 annas per kandi of land irrigated by river channels, etc., was introduced in 1864-65, in lieu of the rate of 2 per cent of the kandayam first imposed in 1862-63. Mr. Gordon considers that pending the Survey Settlement of the Ashtagram Division, no alteration of the existing practice need be made, as after Survey all extra cesses on land of whatever kind will be absorbed in the revised assessment.

1869, as regards the proceeds of the cattle-pound in Sringeri, could not be extended to another pound in Belavadi, an isolated village belonging to the same Jahgir. (No. 3215-16—R. 543, dated 23rd September 1879.) Finally, when in 1892, the Inamdar of Bagali and Hoskote in the Mysore District, advanced a similar claim, Government in their Order of 1894, declined to recognize it. (No. 12225—Pet. 1179, dated 24th January 1894.)

2. In 1898, the two cases of Kittur and Kaglipur under reference, were brought to the notice of Government. The pound at Kaglipur was sanctioned in 1883-84 by the Deputy Commissioner, Bangalore District, under the provisions of the Cattle Trespass Act, with the direction that the proceeds thereof should be held in deposit, pending the orders of Government. The pound at Kittur was established in 1877, and it is reported that, in spite of the clear instructions conveyed in the order of April 1878, the proceeds from the pound are allowed to be enjoyed by the Inamdar thereof. The Deputy Commissioner solicits orders whether they may, in future, be credited to Government.

3. With a view to final adjudication of this oft-repeated question, the Deputy Commissioners of Districts were called upon to submit a detailed report on the subject, especially as to how the proceeds were being dealt with. The following statement is compiled on the reports received:—
